Attorney Docket No. 407T-300200US
Client Ref. No. 2001-324-1

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of: Werner G. Kuhr, *et al.* Application No.: 09/945,238 Filed: August 31, 2001 For: METHODS FOR THE SPECIFIC DETECTION OF REDOX-ACTIVE TAGS AND THE USE THEREOF FOR CAPILLARY GEL ELECTROPHORESIS AND DNA SEQUENCING	Examiner: Unassigned Art Unit: Unassigned INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR § 1.97 and § 1.98

Assistant Commissioner for Patents
Washington , D.C. 20231

Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Copies of the references are enclosed. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement, since it is being submitted prior to the first Office Action. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 50-0893. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

Tom Hunter
Reg. No. 38,498
